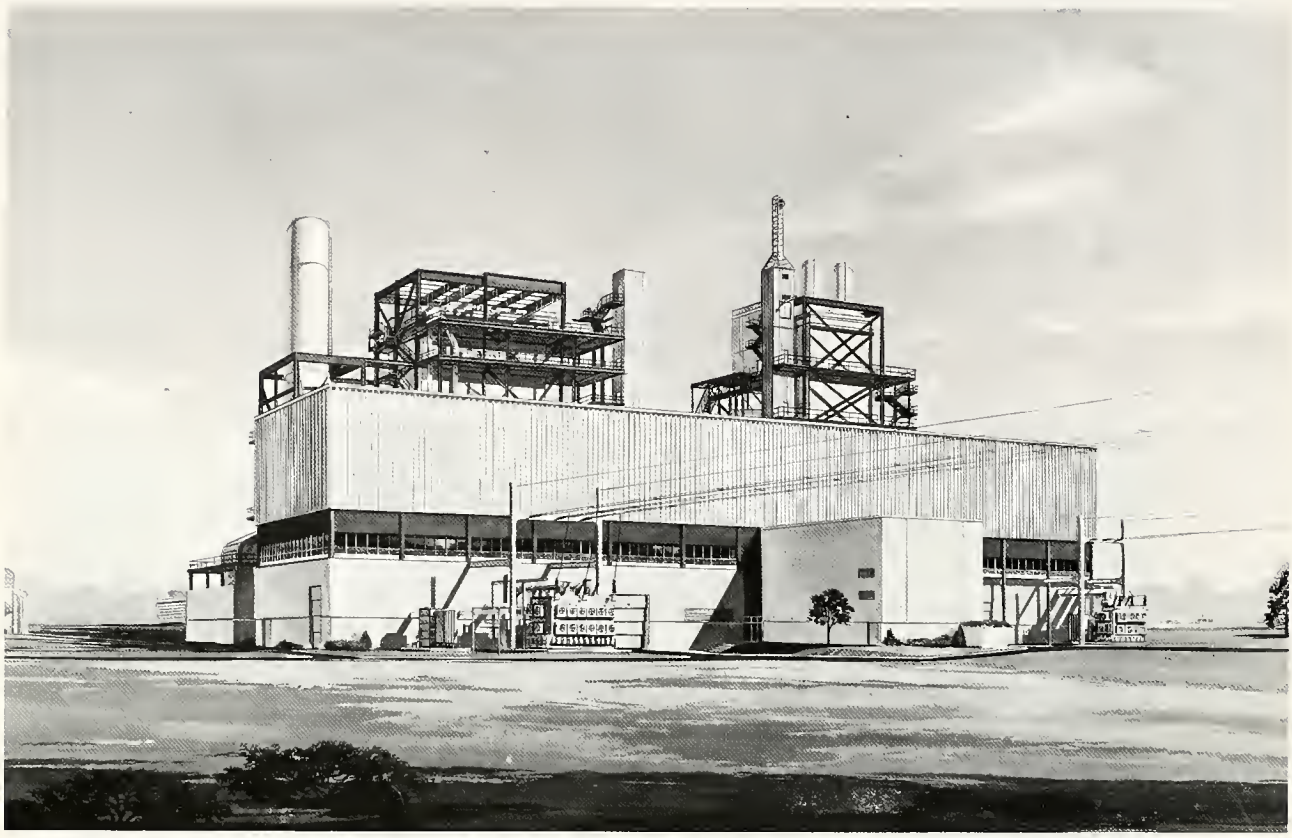
THE 1968 MUSTANG

Memory Lane
Oologah School
Oologah, Oklahoma

Volume 10

DEDICATION



This book is dedicated to the Public Service Company of Oklahoma, Northeast Station, and personnel, who have had a great part in making possible the beautiful school that we attend. Through their share of taxes, it is possible to give to the youth of Oologah the quality education they deserve.

At present, an addition of 450,000 kilowatts to the present plant is underway with completion scheduled in 1970. This will again, through increased valuation, afford the best that can be had in the field of education.

BOARD OF EDUCATION

The Board of Education realizes that the primary reason for a school to exist is to serve the young people who enter its doors. They strive always to maintain the highest standards possible.

Their work is never-ending - trying to meet the demands of a constantly growing school population with its modern plant, equipment and personnel.

Left to right: Joe Sweeney, President; Chester Penner, Member; Harold Pearson, Member; Forest Corlett, Vice-President; Melton Henderson, Clerk.

FOREWORD

It is hoped that when you receive your 1968 Mustang, it will reflect the fulfillment of a well spent year at Oologah School. As you view it in the years ahead, may it bring back joy and pleasant remembrances of your many friends. Friendships developed during that time are "long-lasting" and probably the dearest that you will have.

SUPERINTENDENT'S MESSAGE

The primary objectives of the Administration are twofold:

The shaping of an Academic program which will provide experiences to help prepare the students to be knowledgable producers and consumers in this vastly competitive society, and at the same time providing the social climate, and atmosphere that will help them understand the meaning of freedom, responsibility, and equality.

The continued loyal support of the Board of Education, students, faculty, Alumni, and patrons will assure our schools forward program.

I greatly appreciate the loyal support given me this year. May we march forward to a greater year in 1968-69.

PRINCIPALS

In the years to come this book will call up many wonderful memories for us all. Through it our accomplishments can be better remembered. Like yourself, I feel very proud of Oologah School. I feel proud of the student body, the faculty and the progress we have made working together this year. Certainly, I count it an honor to have had the privilege of working with such a fine group of students and teachers.

Tom E Schwaerdtfeger

Mr. Flint, Grade School Principal, unlocks the door to the Audio-Visual room to make available equipment to be used by instructors during the day.

Mrs. Jean Bolch, Secretary, and Mrs. Angela Fry, Office Assistant, play a vital role in the smooth operation of our school. Typing, mailing, filing, answering the telephone, and many other tasks make up the daily life in the office.

ADMINISTRATION AND FACULTY

NOT ALWAYS THE MOST AGREEABLE OR ENJOYABLE but inevitable and necessary, the administration and faculty unite as a nucleus to maintain an effective academic school.

Who is this teacher or administrator? He assists you in your various fields of learning and builds sidewalks where you walk the path of knowledge. He seeks suggestions after you voice disapproval, he is a friend after class, the sharer of your joys and often the source of your sorrows.

His experience warrants your attention and appreciation.

Assuming responsibility, making decisions, sharing the problems, gaining an insight into what you want to accomplish, and finally happy in success is the everyday goal of our administration staff.

Left to right: Mr. Tom Schwaesdall, Junior and Senior High School Principal; Mr. C.O. Tillman, Superintendent; and Mr. Charles Flint, Grade School Principal.

Taking time from their busy schedules to smile for the camera are members of the Athletic Department. Left to right: MR. JOHN MERRYMAN, Assistant Football Coach and High School Math Instructor; MR. JACK HARRIS, Head Football Coach and Counselor; MR. BILL JOHNSON, Head of the Athletic Department and Head Basketball Coach and MR. KENNY HOLLAND, Head Track Coach and Elementary Physical Education.

MRS. BILLIE BROWN, Art Instructor demonstrates charcoal shading of portrait work to her art class. Foreign language is also taught by Mrs. Brown.

The model of the human eye is discussed by Science Instructor, MR. DON BRISTER and MRS. FLORETTA HAGGARD, Junior High Science and Math teacher before the lesson is presented to the class.

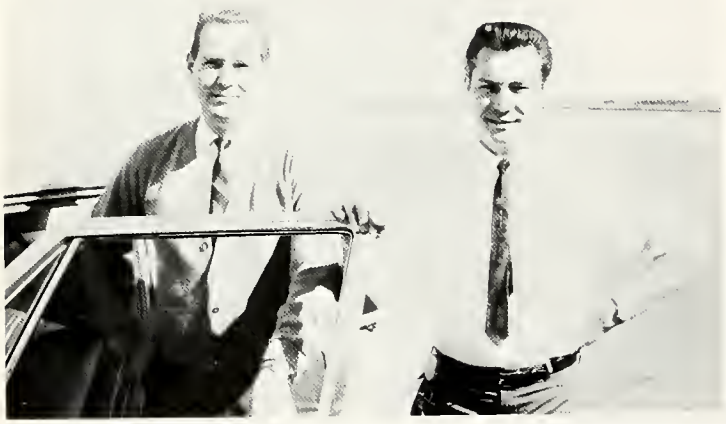
Preparing work for their classes in the field of Business Education are MISS GRACE DELAY and MRS. PRISCILLA WORDEN.

Wearing with pride the finished product is the solution of Home Economics teacher, MRS. BEA KEELING, following the routine steps of yardage measuring, fitting the pattern, cutting the material and the many other steps necessary.

MRS. DORTHA HALE relaxes a minute from her daily duties as librarian.

Keeping all band instruments ready for use for students as well as for himself is MR. AL HAMPTON who is caught adjusting a key on a clarinet.

MR. WALTER SOWARDS prepares to do a little practicing before making a selection for his chorus group.



MR. JOHNNY WHITE, Social Studies and Drivers Education teacher, and MR. JACK NEEL, Industrial Arts teacher prepare to leave to pick up supplies that are needed.

Before the class work began for the day, the camera caught MR. JOE MOSELY, sixth grade teacher, and his wife, MRS. JO ELLA MOSELY, third grade teacher in the entrance hall of the building.

A place to sit, rest, compare their notes and check papers, where their pencils are worn down more than once, is the place and time that the photographer snapped MRS. MARY POSEY, High School English Instructor and MRS. JEAN MURRY, Junior High English teacher.

The month of February is visible in the background as MRS. MILDRED RAUEBER and MRS. HELEN HARRELSON, both fifth grade teachers prepare to display a replica of George Washington crossing the Delaware.

The simple activity of picking up their mail each day often reveals many changes of plans for MRS. RUBY JANKEY, fourth grade teacher, and MRS. HELEN FLINT, third grade teacher.

Keeping the admission gate at home basketball game is one of the many duties performed by teachers outside of the classroom. At this particular game is, left to right: MRS. LOUISE PIGUET, first grade; MRS. BETTY HENDRICKS, fifth grade; MRS. DORTHA COOK, second grade; and MISS KAREN SACKETT, Speech Therapist.

The very important once a year event, Valentine's Day, finds these teachers, (left to right) MRS. MORA LEE WIGGINTON, second grade; MRS. JEAN SPICER, kindergarten; and MRS. MARY BECK, first grade; preparing the Valentine Box which will be used at their class party.

OUR EFFICIENT WORKERS

Preparing and serving 500 well balanced meals a day or 87,500 meals for the year is no small task for any group; but the efficient work of our cafeteria staff performed this duty in a very able manner. Left to right: Frances Daniels, Birdie Armstrong, Marguerite Archer, Ada Dirickson and Margaret Harris.

Keeping our building spotless, and assisting in any way possible for the smooth operations of our plant, are our able custodians Earl Walker, Roy Burke, who is also our mechanic; and Scottie Canfield.

The Oologah school district takes in an area of approximately 144 square miles.

These drivers transported approximately 518 students to and from school each day traveling a total of 74,900 miles during the school year.

Left to right: Orval Douglass, Johnny White, Raymond McMillen, Harold Rhoads, Jayne Sweger, Lou Russell, Betty Lewis, and Mary Johnson.

EXCITEMENT

Enthusiasm and dedication, practice and team work are the qualities that make up the sports-minded students at Oologah School. This enthusiasm is well displayed at this pep assembly with the band participating.

These qualities make our students the determined participants they are in all athletic contests. Oologah athletes enjoy top equipment and a superior training program.

ACTION, the band playing, a deafening roar, running feet, tension, excitement-- are all present in the game. VICTORY is sweet; defeat is bitter. You have the satisfaction of seeing the challenge, meeting it, and playing to the best of your ability.

Starting with Coach Bill Johnson continuing in an anti-clock direction: Dick Hobson, Clayton Hall, Larry Burchett, Bill Pearson, David Wallis, Jack Lamberson, Jim Vanderpool, Danny Hobson, Larry Knori, Roger Valk, Leonard Thomason, Everett Penner, Johnny Pierce.

HIGH SCHOOL BASKETBALL

Starting with Number 40 continuing in an anti-clock direction; Loretta Thomason, Billie Shoup, Betty Vanderpool, Charlotte Rott, Coeta Butcher, Debbie Butcher, Connie Hart, Sheryl Hand, Brenda Pearson, Jodie Russell, Clara Rogers, Sue Hannon, Phyllis Wallis, La Rea Penner, Linda Lewis.

VICTORY--the thrill of winning--receiving the trophy at the Oologah Invitational Basketball Tournament--all are clearly displayed in the faces of this team.

"OFF THE BEAM"

Annual Senior Play

Directed by

Mrs. Mary Posey

Mrs. Gilman (Loretta Thomason) is interviewed by Amy Langdon (Betty Stritzke) about her book, "The Art of Ruling Your Housewhole."

After three weeks of hard practicing, memorizing play lines, and three performances in one day, the cast finally relaxes as they come out for curtain call.
